All Saint's Day Vigil~ Monday November 1, 7:00 PM TOGETHER IN SONG

*Light a candle and remember all those who never got to go home
Indigenous and non-Indigenous,
we join together with songs of hope and healing.*

Our time together will begin with a time of candle lighting for all who have been, and continue to be, impacted by residential schools. If you would like to participate in this portion of the event, please join the Zoom call with a candle (real or battery operated or in image).

We will then share in song with Indigenous and non-Indigenous leaders from across our regions.

Song is powerful and can speak to us all in different ways. To help you respond – to the songs we will experience, the feelings that may be stirring in you, and the virtual community – you are invited to bring tactile materials. This may look like knitting needles and yarn, coloured pencils and paper, building blocks, a finger labyrinth, or Play-doh. Join with us in whatever way the Spirit moves you.

We look forward to sharing in this time with you!

Register in advance for this gathering:
